The Shri Rudram is a Vedic stotra dedicated to Rudra, an earlier aspect of Shiva. Shri Rudram is also known as Sri Rudraprasna, Satarudriya, and Rudradhyaya. It consists of two texts from book four of the Taittiriya Samhita, which is a part of the Krishna Yajurveda. Sri Rudram corresponds to chapter five. As part of the Yajurveda, the second oldest Vedic text after the Rigveda, the age of the text may well be in the range of 3000 years or older. The text is important in Vedantic religion, where it is interpreted as an identification of Shiva with Vishnu, and as describing Him as the Universal Brahman.
